EMBARK ON A JOURNEY OF INNOVATION AND CREATIVITY

Welcome to the forefront of the Israeli gaming revolution! Over the past 13 years, the Israeli gaming industry has experienced unprecedented growth, focusing on two dynamic areas: Casual games dominating mobile platforms and Larger games captivating PC and console audiences. Whether you're a seasoned gamer or a fresh enthusiast, our Game Design and Development Program is your gateway to becoming a trailblazer in this exciting field.

WHY TILTAN?

Prime Location

Live and study in Haifa, near public transportation, in the Jewish Agency dorms or rented apartments.

Industry Connections

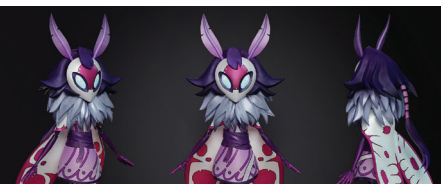

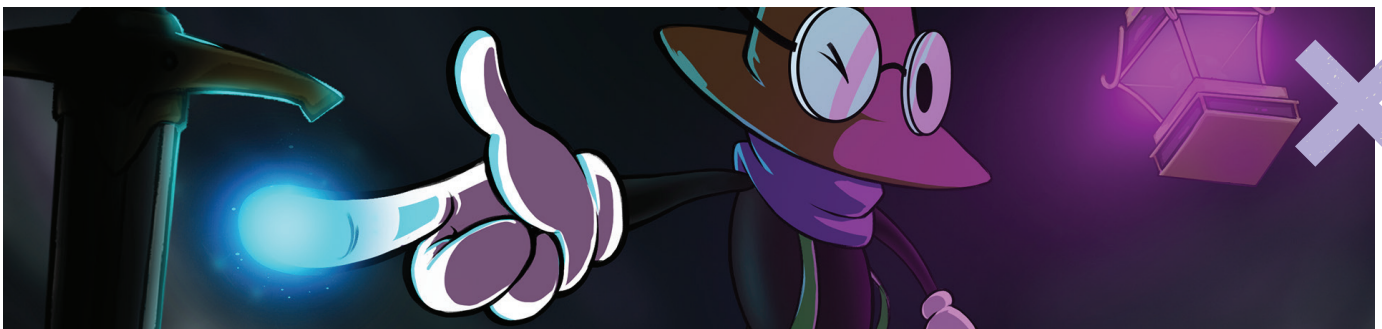

We're an UAA-certified institution, partnered with Unity Technologies. Benefit from our ties with Plarium, Playtika and other prominent Israeli gaming companies.

Don't Wait for Graduation

Our students don't wait to graduate to start their careers, we facilitate job placements right during their studies. On average, 50% of our students work in the industry by their second year, and 75% by their third year. In addition, every month, HR teams from leading gaming companies visit us to share insights and interview students directly on site.

Cutting Edge Training

Master Unity and Unreal engines, plus graphic software like ZBRUSH and MAYA.
